

A Message from Green Christian

Use your LOAF to make a difference!

The importance of food as an environmental issue is increasingly apparent. As you eat your meal today, Green Christian invites you to reflect on the LOAF principles:

Food matters. The kind of food we choose should demonstrate our care for God's creation.

What food is provided in our church? At home? How far did it travel?

Locally produced
Organically grown
Animal friendly
Fairly traded

Bread has symbolic meaning.

Jesus blessed and broke bread and gave it to his disciples saying 'Do this in remembrance of me'.

Do photocopy and use this 'placemat' at communal meals to prompt reflection on the environmental impact of our choice of food.
